

Library Volunteer Information Form

Our library service relies on the help of regular parent volunteers, both mums and dads. Thank you for your interest in helping us out! There are many tasks involved in running a successful and busy library, including shelving books, covering new items, and checking books in and out for students. Our volunteers have a scheduled time in the library, committing for the whole school year and giving at least two hours of their time each week to help us (if you have children in Elementary School, we ask that you book a time when your own children's classes are not in the library - otherwise it can be very distracting!).

We are looking for a team of approximately 18 volunteers. We provide ongoing training throughout the year, and the school pays for a PVG background check for each volunteer. If you would like to join our team, please fill out your information below.
