CORPORATE SCHOOL FEES

2018-2019

Annual fees per student comprise the Tuition Fee plus the Registration Fee. Tuition Fees are inclusive of school bus transportation, text books, and the majority of after-school activities. ISA does not have a formal school uniform requirement.

Corporate fees are invoiced annually, either at the beginning of the school year or from the date of enrolment. Students starting part-way through an academic year will be liable for the full cost of the Registration Fee; a start date during the first semester will be liable for the full annual Tuition Fee; during the second semester, half the annual Tuition Fee; and in the fourth quarter, one quarter the annual Tuition Fee.

No Tuition or Registration Fee refunds will be given, regardless of the circumstances, for a school year in which there is any fractional attendance by a student who is withdrawn for any reason.

The success of acceptable applications under this rate will be determined by a variety of criteria.
