

THE INTERNATIONAL SCHOOL ABERDEEN

Every Child. Every Opportunity.

ISA is seeking applications from energetic and self-motivated lifeguards who can assist at the School's busy swimming pool.

A current National Pool Lifeguard Qualification is essential, and experience in a leisure environment is desirable.

Duties include: supervising poolside; assisting with swimming lessons; maintaining clean and tidy facilities; some administration.

The ideal candidates will provide excellent customer care and enjoy working with children and their parents.

The School will offer full training and support, flexible hours, and rates of pay based on experience.

Successful applicants are required to apply for membership of the Disclosure Scotland Protection of Vulnerable Groups (PVG) Scheme; cost will be met by ISA.

Please apply to Samuel Kazmierski, Aquatics Manager at: skazmierski@isa.aberdeen.sch.uk.
