Job Title: **MIDDLE SCHOOL/HIGH SCHOOL MATHS TEACHER**  
**(could include DESIGN TECHNOLOGY)**  
**STARTING AUGUST 2018**

Salary/Benefits: Competitive plus Benefits

Hours of Work: Part or Full-Time

Qualifications: Minimum Bachelor degree; Master's Degree preferred  
Teaching Certificate

Experience: Preferred but not essential:  
Knowledge of Standards/Benchmark based curriculum  
Knowledge/experience of IGCSE curriculum  
Experience with curriculum development  
Experience in leading extracurricular activities

Duties &  
Responsibilities: Position starting 1 August 2018.

This position requires a dynamic individual to provide excellent instruction and learning opportunities for Middle School and High School students in Maths. The assignment is flexible depending on the successful candidate's abilities and could include Design Technology, LEGO Robotics, or IGCSE Mathematics. The successful candidate will be required to prepare learning opportunities for Middle School/High School classes, facilitate in-context learning and support cross discipline projects. Instruction will need to be differentiated to meet student needs across the learning continuum. The teacher will also be required to develop, review and revise curriculum in the School's curriculum mapping tool (Atlas Rubicon), incorporating the School's Learning Expectations in instruction and assessment.

The teacher will also participate in professional development and the after-school activities programme. They will establish and maintain positive relationships with other members of the school staff, showing strong collaborative skills, and communicate effectively with parents. They will attend relevant meetings and support the building of a

strong sense of community at the school. Participation in parent conferences, curriculum review activities and professional development days is expected.

A Disclosure Scotland PVG Membership application will be undertaken on behalf of the successful applicant; cost to be met by the employer.

Application:

Closing Date for applications: 15th February 2018. Candidates should send a cover letter, *curriculum vitae*, philosophy statement, and letters of recommendation/details of referees to:
